# ANNUAL TOWN MEETING

TOWN OF  
**WEYMOUTH**

Dear Town Meeting Member:

You have heard of the so called "Tax Cap" legislation which was enacted in 1979. This legislation limited the appropriation for Fiscal 1980 to a 4% increase over Fiscal 1979 and a 4% increase in appropriation for Fiscal 1981 over Fiscal 1980.

At the Annual Town Meeting in 1979 the amount appropriated did not exceed the so called cap. The budget presented to you in Article 1 in this booklet does not exceed that cap.

The legislation provides for a method for Town Meeting to override the cap if it wishes. This is done by a two-thirds (2/3) vote.

Therefore, if Town Meeting wishes to override the cap for the School Department it must vote separately to do so. If it wishes to override the cap for general government it may do so by a 2/3 vote. At the end of the Town Meeting or at least at the end of all of the money articles another 2/3 vote must be taken to override the cap on the total appropriation.

Pensions, Unemployment Benefits, and Debt and Interest do not fall within the cap.

Your Appropriation Committee has worked long and hard with every department on the general government side of the budget and reached a compromise in most instances so that the total requested appropriation will not exceed the cap. This was not true with the School Department. The proposed budget in this booklet for the School Department is their fiscal 1980 appropriation plus 4%. It is not the amount certified by the School Department as their budget.

The Town of Weymouth must control its appropriation for all departments barring none. This, the Appropriation Committee is asking you to do by staying within the 4% cap.

The Appropriation Committee

- a. for any such reasons as physical and/or mental illness and/or conviction of a felony and/or incarceration and/or failure to attend 50% of the duly called meetings of any said office.
- b. Any qualified twenty-five (25) voters of the town may make and file with the Town Clerk an affidavit containing the name of the officer sought to be removed and a statement of the grounds of removal. Upon receipt of such an affidavit, the Town Clerk shall immediately provide the copies of petition blanks for such recall and removal, printed forms of which he shall keep on hand. Said petition blanks shall be dated and addressed to the Selectmen, shall contain the name of the person sought to be removed, the office from

which such removal is sought, the grounds of removal as stated in said affidavit, and shall demand the election of a successor to such office. Said recall petition shall be returned and filed with the Town Clerk within twenty (20) days after the filing of the affidavit. There shall be on the recall petition space for the filing date and certification by the Town Clerk that the said petitions were timely filed, as provided for in this section.

- c. Within five (5) days after the filing of said petition the Board of Registrars shall ascertain by examination thereof whether the petition is signed by the requisite number of qualified voters, and shall attach thereto their certificate showing the results of such examination.

The petition may be amended by the addition of signatures at any time within five (5) days after the giving of said notice by the registrars or the petitioners may provide proof of the validity of a petitioner that was disqualified as not a qualified voter. The Board of Registrars shall, within three (3) days after such amendment, make like examination of the amended petition and either accept or reject proof of the qualification of a qualified voter, and attach thereto their certificate of the results. If then an insufficient number of signatures or if no amendment was made, they shall return the petition to one of the persons designated thereon as filing it, without prejudice, however, to the filing of a new petition for the same purpose.

- d. If the petition and/or amended petition shall be found and certified by the Board of Registrars to be sufficient, they shall submit the same with their certification to the selectmen the next business day and the selectmen shall forthwith give written notice to said officer of the receipt of said certi-

If the vacancy occurs in said office after a removal election has been ordered, the election shall nevertheless proceed as provided in this section.

- e. Any officer sought to be removed may be a candidate to succeed himself, and unless he requests otherwise in writing the Town Clerk shall place his name on the official ballot without nomination. The nomination of other candidates, the publication of the warrant for such removal election, and the conduct of the same shall be in accordance with provisions of law relating to election, unless otherwise provided in this act.
- f. The incumbent shall continue to perform the duties of his office until the removal election. If then re-elected, he shall continue in office for the remainder of his unexpired term, subject to recall, as before, except as provided elsewhere in this section. If not re-elected in the removal election, he shall be decreed removed, and the successor shall hold office during the unexpired term.
- g. No recall petition shall be filed against any officer within three (3) months after his election, nor in the case of any officer re-elected in a removal election, until three (3) months after that election.
- h. No person who has been removed from office by recall, or who has resigned from some office while recall proceedings were pending against the officer, shall be appointed to any town office within two (2) years from such recall or such resignation.
